Does anyone know where I could find Spider-Man: Homecoming script? Page 2 10 comments FADE IN: EXT. NEW YORK, NEAR AVENGERS TOWER - 2012 salvage Scrap guy MICHAEL KEATON and his SCRAPPY CREW are salvaging scrap. Michael Keaton We hit the jackpot boys! The alien invasion may have rained down death and destruction, but it also created tons of jobs to work stiffer like us! The happy smirk on my face is perfectly appropriate! TYNE DALY (arriving) Everyone listens! We're Marvel's Damage Control, and we're possibly setting up our own TV series, so we're in charge now. Michael Keaton really?! You know shield agents are barely floating, and Powerless was canceled faster than hell, right? TYNE DALY Yes really! But since we all pull together in the wake of this tragedy and we are beaten by infinite dollar downeyCorp, let me cut you a check in compensation for everything you have invesHAHAHAHAHAHAhahaha no one really you can all fuck off and die. Michael Keaton (aside) For hell, I've lost my business, my livelihood and my savings. All I have left is a crateload of super-advanced foreign technology worth a fortune on the black market. What to do ... (think) (think) (think) BOKEEM WOODBINE What if we sold MICHAEL KEATON THAT'S IT! We sell extraterrestrial scrap illegally, and I'm going to make a robot wing suit to get even more alien scrap! I'm going to be... BIRDMAN!! Bokeem Woodbine You did it already. Michael Keaton Oh yes. Batman? Shit, did it twice. Which flying Marvel villains are still available? BOKEEM WOODBINE What about Vulture? MICHAEL KEATON Yes. I'm going to be... The vulture! sounds good. So good that I'll never use that name the whole movie. BWAH HA HA HA CUE: MARVEL STUDIOS LOGO WITH ORCHESTRA CLASSICAL SPIDEY THEME, WELL IT WAS CUTE, BUT TIME TO DITCH IT FOR A BRAND NEW THEME, THINK TCHA? YES, OF COURSE INT. ROBERT DOWNEY JR. S LIMO - EIGHT YEARS LATER - WHAT EXACTLY? SO THIS IS THE YEAR 2020 NOW? IT'S WEIRD, BUT HEY, IT'S YOUR CINEMATIC UNIVERSE GUY TOM HOLLAND SHOWS HIS HOME MOVIE OF CAPTAIN AMERICA: CIVIL WAR TO ROBERT. TOM HOLLAND Apparently I'm smart enough to make synthetic webbing with tensile hulks attached ass cheeks, but I can't figure out how to film in widescreen. I'll remember next time though, promise! Robert Downey JR. Look boy, I know you've just had a taste of the big time, but you have to squash it down and be happy with your small-scale, mundane existence. As a teenager, you shouldn't have a problem taking the long view and seeing the big picture, right? TOM HOLLAND Don't worry, I can be patient, so what's the next mission?!? IS IT INFINITY WAR? BLACK PANTHER? UNTITLED AVENGERS MOVIE 2019??? TO HELL WITH THE SCHEDULE WE CAN DO THEM ALL RIGHT NOW PLEEEEEEASE ROBERT DOWNEY JR. What about, let's do a quick alibi video for your aunt. (into the camera) Hi Marisa Tomei! You're fucking, I'm so hard right now! ha ha ha. I'm in a serious long-term relationship. Int. ETHNICALLY ETHNIC HIGH SCHOOL TOM GOES ABOUT HIS USUAL SCHOOL DAY, KEEPING A LOW PROFILE BY MIXING WEB-GOOP AT HIS DESK AND LIFTING UP ROWS OF SCHOOL LOCKERS IN THE HOPE THAT NO ONE ACCIDENTALLY ROUNDS A CORNER. Tony Revolori Hey Tom you lose! Check it out, I'm the new Flash Thompson! Since I play a bully I put on 60 pounds for this role, bringing me to a total of 72 pounds. Jacob Batalon Hello Tom my BFF! How about we meet later to build my new Star Wars™ Lego™ Death Star™ that you can buy for the low price to wait \$500 dollars?! OH, MY GOD! Am I holding down three jobs? Zendaya You're so stupid. I wouldn't be taken dead with any of you dorks, what the hell am I doing here? Oh, Disney. After school empty stops at his favorite BODEGA. Bodega owns Hello, Tommy! How's the hot ass Marisa Tomei? I'd like to fuck her! I can't resist the way she pulls her pants aaalllll way up, oh yes! Is this really the best use of Marisa Tomei we can come up with? Tom switches to SPIDER-TOM and thwips around town causing random minor property damage to - SPIDER-TOM Oh kewl, those guys are robbing an ATM with advanced alien technology! Finally, a chance to cause great property damage!! SPIDER-TOM jumps into action and almost wins before the alien technology wipes out its favorite BODEGA! Spider-TOM Oh fuck! I was so focused on winning the fight, I didn't stop to think how the alien gun could go wild and threaten innocent bystanders! Well I won't make that mistake again! Certainly not on a ferry, that's for sure! TOM'S ROOM TOM slowly crawls into his room along the roof, and just when you think they probably filmed the whole scene upside down so big whoopdie-doo, he falls to the floor and finds- JACOB BATALON (releasing his Star Wars™ Lego™ Death Star™ in shock) OH MY GOD YOU'RE THE SPIDEY-TOM!!!! Tom Holland What? No! I'll prove it by stripping almost naked and showing off my muscles, for the second time! Did you know that Peter Parker is going to be 15 in this movie? Chris Hansen warns! Marisa TOMEI (shown) You kids horsing around without clothes again? I guess everyone expects me to make a gay joke here, but instead I want to be a cool understanding adult and not some James Woods asshole so cliché averted! Int. RESTAURANT TOM and MARISA have gone out for THAI LARB which is TOTES going to be the new SHAWARMA, yep, anytime now. Marisa TOMEI You've barely said anything all day. Yes, we're all relieved that we skipped spider bites and Uncle Ben's death instead of going through it all again, but it feels like the writers forgot to give us new things to talk about. Waitress (arriving) This dessert is at the house, because I really want to fuck Marisa. Hey babe, do you want to know what ELSE cums with great power? (winks) TOM HOLLAND'S FINE ALREADY, GEE. Int. SCHOOL - GYM CLASS GYM COACH HANNIBAL BURRESS WHO ALSO GETS USED TO ITS FULL POTENTIAL PLAYS A VIDEO FOR STUDENTS. Chris Evans (on video) Hello kids! So you want to make a great successful superhero movie. Don't forget, superheroes are funny! Movies about them should probably contain at least a bit of something that's funny. Colors are also fun, don't be afraid to have more than two colors in the whole movie! TOM and JACOB DO FLOORMAT EXERCISES when they notice TOM'S secret crush LAURA HARRIER and her friends sitting around chatting exercises, including a round of FUCK-MARRY-KILL involving THOR, IRON MAN and HULK. LAURA HARRIER Eww, why is fuck Hulk yet another option? Anyway, my crush is on Spider-Man, so hvaevs. JACOB BATALON (blurring out) TOM KNOWS SPIDERMAN!!! ALSO HE WOULD FUCK ULTRON MARRY GROOT AND KILL IRON FIST BECAUSE THAT SHOW BLEW BITES LAURA HARRIER NEAT! I'm going to throw a big party tonight, you should come! JACOB BATALON (aside for Tom) This is great! You can show up as Peter, disappear, Spidey turns in looking for you, leaves, then you come back all oh did I miss Spiderman?. We can easily do this stunt once, maybe even zero times before people catch on! Ext. SUBURBIA TOM prepares to do his SPIDEY-ENTRANCE, but sees a strange explosion in the distance, then goes to investigate! He spins the obligatory COMMUNITY-GUEST-STAR WHEEL and lands on the CHEVY CHASE, so he spins again and gets - DONALD GLOVER Hello, loses crime gear seller. I would like to buy some small-scale minimal crime equipment please. BOKEEM WOODBINE It sounds like something we would have established before I truck all this hyper-lethal sci-fi arsenal out here. They see SPIDER-TOM and a night hunt happens, MURKILY! At one point, SPIDER-TOM passes a TV playing FERRIS BUELLER'S DAY OFF illustrating how much better these scenes work during the day. Spider-TOM I have them now, unless some robot-winged asshole jumps me from behind! Of course my Spider-Sense would alert me in time, unless maybe I don't have it yet WHOOOOOPS I GUESS NOTTTTT (thrown in the sea) INT. MICHAEL KEATON'S HIDEOUT KEATON and BOKEEM WOODBINE and TOM HARDY rendezvous back on - MICHAEL KEATON Wait, Tom Hardy? Damn it, we're setting up Venom already?! LOGAN MARSHALL-GREEN HA! Just kidding! It's actually me, freelance Tom Hardy impersonator Logan Marshall-Green! Michael Keaton Well, for me to think about Spider-Man 3, you die now. (flash-fries Logan) Looks like you're getting his punch-tech glove, Bokeem. Congratulations on being less than half as powerful as Chloe Bennett. Int. HIGH SCHOOL TOM and JACOB meet in SHOP CLASS. TOM HOLLAND I restored this glowing alien energy unit after the fight! Let's do science things with it in the middle of class in full view of everyone. By combining their eager intellect, they prepare a scientific experiment of BASHING IT WITH A HAMMER that produces small results. After class BOKEEM pops up looking for it with a tracking device, but TOM puts a tracking device on WHO IS IRONY-MAN NOW ??? Int. TOM'S ROOM TOM and JACOB sits a room watching tracer move on a map instead of, I dunno, follow it. Jacob Batalon The Spurs are stopped! Bad news, it's in Maryland that's pretty far away. Tom Holland Shit. (pause) Hey, wait! It just so happens to be a student OLYMPIAD happening in DC like, tomorrow! And we both just so happened to be members of the high school student OLYMPIAD team! Along with Laura Harrier, OG Zendaya, and Tony Flash Revolori, although he is traditionally the meathead jock enemy to my nerdy underdog hero! JACOB BATALON Wow. I would call it a Dickensian coincidence except if I did, Charles Dickens would roll over in his grave, rise up from the dead, and eat my face while ripping my dick off. Love, The Editing Room) INT. MOTEL - WASHINGTON DC TOM HOLLAND Now that we've tracked the guy who tracked us, we need to remove the tracker from my suit so That Downey can't track me track the tracking guy. I can't build my track record if I attract Iron Man attention! Jacob Batalon Done! Also I unlocked all the secret murderkill settings in your suit! Why did Downey give a 15-year-old a suit with secret murder settings? Jacob Batalon Because with great power, comes great ruthless use of that power, I guess. Ext. RURAL HIGHWAY ROBOT-WING MICHAEL KEATON is about to rob a DAMAGE CONTROL TRUCK when SPIDER-TOM arrives to prevent him with his cool new SPIDEY-SUIT POWERS that include fucking up his WEBS and knocking himself out cold. Spider-Man is helpless to prevent me from flying back to my hiding place and vowing to find him and kill him one day. (pause) Wait a minute, I should just INT. DAMAGE CONTROL SUB-BASEMENT STORAGE - SOME TIME LATER, SPIDER-TOM finally wakes up and finds itself alone in the large storage room. Spider-TOM So those drivers didn't notice my whole fight with Keaton or slamming me into the truck's roof? And they don't even check that the load is ok when they arrive? Maybe they should have left Keaton's crew as commander of all this. SPIDER-SUIT Hi Tom. I'm the AI of your suit, and I have Jennifer Connelly's voice, thus marking the first ever and only time she's been in a Marvel superhero movie, shut up. Your suit can make 30,000 versions of webbing because we're cramming for decades with comic book writers' bullshit inventions at once. Also, the glowing thing Jacob's carrying will explode if it contacts radiation, and whaddya knows, that exact circumstances only happened back in DC! SPIDER-TOM Shit, how do I get back to DC in time?!? It took me 15 years just to get back to Marvel! (think) Wait, I'm in a warehouse full of bizarre alien tech, it must be a jetpack or one of the flying platforms all chitauri aliens used? Or I could use my God-like engineering skills to build something? SPIDER-SUIT Almost certainly, so let's use random interstate traffic instead. Ext. WASHINGTON MONUMENT As SPIDER-TOM approaches, GLOWY THING in a way that frags a one but NOT any of the people inside! The lift is also full of SPIDEY-FRIENDS! SPIDER-TOM must risk safe death by s scalping the Washington Monument! Well, at least one thing in this movie will justify watching in 3D. SPIDER-TOM SAVES everyone and then plummets down ELEVATOR SHAFT but everyone just assumes he's OK and it turns out he is, so it seems the threat of a really big fall was maybe overblown a little. Int. SCHOOL TOM has been taken into custody for blowing off the Olympics. CAPTAIN CHRIS EVANS (on video) Remember kids, you can't just throw a group of public characters together no one cares about, give it a silly name like the Dark Universe and just expect it to take off. You need to build from scratch, perhaps include some properties that do not bear the stench of failure. TOM escapes detention by fucking off and tinkers with his SUIT instead. Tom Holland Oh hey, the suit takes video of everything I do! Cool! (think) DRESS PLEASE DELETE ALL THE FOOTAGE BETWEEN WAKING UP AND MORNING SHOWER OK (THINKING) AND BETWEEN MORNING SHOWER AND GETTING DRESSED (THINK) AND BETWEEN GYM AND FIFTH PERIOD (THINK) OH AND ALSO Hours later, TOM uses the footage of DONALD GLOVER to learn his identity and track him down. Donald Glover Hey Spiderman. I happen to hear that someone I happen to know is buying alien tech from Keaton on the ferry, and the deal just happens to be later today! CHARLES DICKENS (summons giant sandstorm enveloping Europe) EXT. FERRY SPIDER-TOM barges in and start throwing crooks about despite having VOLATILE DANGEROUS ALIEN WEAPONS since there was no previous scene that shows how easily this can go horribly wrong. SPIDER-TOM Ha! I'm kicking my ass! I can't wait until Mr. Downey sees how well I (interfering with the FBI sting operation) What? Wait a while I didn't mean to (allow the ferry to be cut in half) I do?! HOLY SHIT MAN I BETTER SCOTCH-TAPE THIS THING BACK ALONG WITH WEBBING!! (fail!!!) FuuuuLUCK!!!! IF ONLY THIS WAS A SPEED TRAIN!!!! IRON DOWNEY swoops in and snatches TOM's ass from the jaws of MASS MURDER. Robert Downey JR. Damn it, boy. You have to let the right authorities handle shit and not take matters into your own hands. You know, as I always do. Or fuck it, you come here five minutes earlier, blast some lasers through Keaton's Vulture rig, he's done. Then you can silence the other assholes in about ten seconds. It all would take less time than you've already spent chewing me out. Robert Downey JR. (break) I'll take your suit. Tom Holland Shit. Okay, here you go. You may want to download the suit's footage of the ferry game, since I looked straight at Michael Keaton, and you can probably use facial recognition plus Stark-Tech to track him down before noon. Stop making this so easy! Int. BACK TO TOM'S NORMAL ROUTINE TOM glammers Laura in to HOMECOMING with him. He goes to pick her up, but OH FUCK MICHAEL KEATON is her father!!!! AUDIENCE (shits pants) TOM HOLLAND Holy shit! My arch-nemesis just happens to be the father of a girl in my high school, and that's the same girl I have a crush on! MICHAEL KEATON And my evil plan just happens to be culminating on the exact same night as homecoming night, which she comes to as a date! CHARLES DICKENS (devours distant star, destroying the entire solar system of inhabited planets) KEATON drives TOM and LAURA to DANCE. Laura Harrier Don't you like Tom, Dad? He reminds me of you because he disappears every time Spider-Tom shows up. MICHAEL KEATON Well that information, plus Tom's distinct Marty-McFly-and-Bart-Simpson-go-to-Tosche-Station-to-pick-up-some-POWER-CONVERRRRRRR voice, is all I need to deduce that he's actually Spider-Tom. Hey Laura, you can't go in while we're talking bird-to-spider. TOM HOLLAND Hm. Now that it's just me and you, I guess I'm going to kick your ass since I'm Spider-Man, and you're just a guy. Michael Keaton But I'm holding a gun that doesn't even point at you, which makes me much more intimidating than when you fought several guys with guns aimed right at you. TOM HOLLAND Fuck. KEATON is running off, but TOM'S PHONE is still in! TOM gets SPIDEY-TOM! SPIDEY-TOM Woo-hoo, time for more tracking! Has any film in the story ever had more tracking in it, I swear to- (turned off Bokeem!!) Bokeem Woodbine Sorry commandments, Keaton said to kill you if you tried anything! Spidey-TOM He just found out I'm Spider-Man at the station here, when did he have time to do it? BOKEEM WOODBINE Spider-Man?!? No, this is standard procedure for all laura's boyfriends. TOM webs BOKEEM to a bus and tracks KEATON to his hiding place! Int. KEATON HIDEOUT SPIDEY-TOM uses the benefit of surprise to announce his presence to Michael Keaton from across a super large empty space. Michael Keaton Tom, you have to understand. I was evil because Robert Downey Jr. ruined my life! Which makes me, what, the ninth villain to have exactly the same motivation? Spidey-TOM yes, I think Thanos will turn out to be a summer intern as Downey dunked in food dye. Michael Keaton Anyway, thank you for not fucking up my Vulture rig when you walked past it earlier, and thank you for just webbing up one of my hands so I could still operate it! VULTURE RIG crushes shit and buries TOM under a billion tons of concrete. Spidey-TOM Shit! I'm lost! Wait, I have super strength. Duh. (lifts concrete) It's better. The most important thing is that we were referring to the iconic Spiderman scene that we were already referring to in the Civil War. Michael Keaton Aw yes, fanboys will pay millions for this shit on E-Bay! But SPIDEY-TOM is there to stop him! They fight among EXTREME DARK CLOUDS and the plane becomes a HYPERACTIVE STROBE DISCO BALL because it's always fun to wrap up your summer blockbuster inducing some neurological events. Finally, they crash on a beach! Michael Keaton Joke is on you boy! I'm still going to fly off with this box of Downey-signed bow reactors! (robo-wings error) I'm just going to ignore it. (robo-wings catch fire) I ignore it too. (robo-wings announce 5 seconds to self-destruction) This is okay. (exploding!) Luckily Tom pulls MICHAEL out of the fire and into another part of the fire so he's ooooookay! Int. SCHOOL TOM and OLYMPIAD TEAM debriefing. Zendaya Hey guess what, I was Moneyppenny Robin Blofeld KHAAAAAN MJ, all the time! Try to act surprised even though this was blamed online months ago. JACOB BATALON Cool! And I really am Jacob Jonah Jameson! Huh? Huh? (crickets) TOM gets a text for a RANDOM HOOKUP in THE SCHOOL BATH and then natural DROPS EVERYTHING to rush over, but it's actually a stealth invite to THE AVENGERS COMPOUND! Int. AVENGERS COMPOUND ROBERT DOWNEY JR. Tom, once again you ignored my wishes and ruthlessly took matters into your own hands instead of asking for help. But this time it went so congratulations, you're an Avenger now! Check out your amazing new upgraded Spidey costume! Tom Holland yes! Wait, is Gwyneth Paltrow here? ROBERT DOWNEY JR. She had some ideas about your web-goop, and TOM HOLLAND Forget it. (leaves) Int. TOM'S ROOM TOM comes home and finds a package containing what is now obsolete, SECOND BEST SPIDEY-SUIT, HURRAY! He puts it on and struts around a little bit. Tom Holland (remove mask) Well, it was quite an adventure! I went through a lot, but I've appeared a little wiser, a little more mature, and much more responsible- MARISA TOMEI I just caught you in the SPIDEY-SUIT IN YOUR ROOM LIKE JACOB DID AT THE BEGINNING OF THE FUCKING MOVIE, YOU HAVEN'T LEARNED JACK SHIT CREDITS INT. MID-CREDITS BONUS SCENE - PRISON KEATON IS BEING CONTACTED BY A CRIMINAL LOOKING FOR INFORMATION ABOUT SPIDER-TOM. Michael Keaton, I'm going to give my villain an extra glimpse of depth by protecting Spider-Tom's identity. CRIMINAL, but... Didn't you tell Bokeem right away when you found out? And didn't you call Spidey by his real name over radio-comm while your tech guy was listening to? MICHAEL KEATON Well you seem to be angling for that part of Scorpion, and that character sucks so fuck off. more credits int. post-credits BONUS SCENE CAPTAIN CHRIS EVANS Hello crowd. By sitting through all the credits, you have shown great patience. And patience is a virtue! But remember: even great patience is limited, so you do not want to risk exhausting it by, oh let's say, waiting eleven years before giving a woman a leading role. Ha ha, DC, you affable idiots- (interrupted offscreen) --he? Is it us? Fuck. END END
